

LAXATINE.

THE KIND YOU HAVE ALWAYS bought has borne the signature of the Western Chemical Co. of Chicago, Ill., for years. Allow no one to deceive you with counterfeits. Imitations and "just as goods" are but experiments, and endanger the health of children.

What is Laxatine?

LAXATINE IS NOTHING BUT THE FINEST CASTOR OIL, with its objectionable taste removed by our new process. LAXATINE is as pleasant to take as honey. Children like it. No trouble to get them to take it. It contains neither opium, morphine, nor other narcotic substances. It relieves teething troubles, cures constipation and flatulency; it assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep.—The Children's Panacea—the Mothers' Friend.

A FATAL ACCIDENT

Native Killed Near Inter-Island Wharf.

Result of a Collision Between a Coal Cart and a Wagon Loaded With Fertilizer.

The Esplanade near the Inter-Island wharf was the scene of a most shocking accident at 8:25 yesterday morning, by which a Hawaiian named Kekione Anakolio lost his life. He was driving a dump-cart for Peck & Co., loaded with about a ton of coal, when he came into collision with a wagon laden with fertilizer and driven by a Portuguese named Jacinto Miguel. The shock of the collision was sufficient to throw Kekione from his stand on the shaft of his cart to the ground where he lay as though stunned by the fall, and before any assistance could be rendered him by the many workmen employed in the vicinity, his horse freed his load from the other wagon and starting on a run, drew the wheel obliquely right over the poor fellow, from his left leg to the right side of his head, crushing it out of all recognition, besides inflicting other terrible injuries. Kekione was immediately carried under the Inter-Island shed and a surgeon and the police notified, but before the arrival of Dr. Cooper and just as Deputy Marshal Cullingworth accompanied by Lieutenant Oponui came up, he breathed his last. The Deputy Marshal immediately set to work making inquiries, and as a result caused the arrest of Miguel, who had driven off in the meantime, pending the result of an inquest.

Kekione was a single man of about fifty years of age. He has two brothers and one sister (Mrs. Jas. Holt, Senior) residing in Honolulu.

An inquest touching the death of Kekione was held by Deputy Marshal Cullingworth at the Police Station yesterday afternoon at 2:30, when the following jury was empaneled: John Kuanaa, J. W. Kualaku, Chas. Clark, C. B. Maile, Ben Kaunahala and Joe Kalana.

Six witnesses were examined and from their evidence, it would appear that Miguel had at least thirty feet clear to his (the makai) side of the road, while deceased was on his proper side and only about ten feet from the mauka side of the road.

Dr. Cooper certified the cause of death to be "fracture of skull" and the jury after three quarters of an hour's deliberation, recorded the verdict "That deceased came to his death at Honolulu, Hawaiian Islands on the 26th day of September, 1899, through a fracture of the skull, caused by the wheel of a coal truck passing over his body and head, said deceased having been thrown from the cart of which he was the driver while colliding with a dray driven by a Portuguese."

Miguel was afterwards charged with manslaughter in the first degree and released on bonds of \$1000 to appear in the District Court at nine o'clock this morning.

THE VENEZUELAN REVOLUTION.

NEW YORK, Sept. 13.—News of the progress of the Venezuelan revolution was received today by a prominent South American in this city from the vice president of the military committee in charge of the affairs of the rebels. This committee is now located in one of the West Indian islands and consists of five generals. In his letter, which is dated September 2, the writer says that the revolution is progressing rapidly, and has spread to all parts of the republic. The commanders in various States are as follows: In Guayana, Brothers Hernandez; in Apure, General Galindez; in Carabobo, Salvador Gordillo and Samuel Acosta; in Lamora, Montenegro, Masqueda, Matote and Mercado; in Lora and Yaracuy, Isava, Melindez, Gernendia and Liscano; in Maturin and Aragua, Rendon and others.

The letter further says that in Corro the whole State is in arms, and that General Cipriano Castro, with an army of 6,000 men, left Valencia on August 19, and on August 26 annihilated the Government forces at Carora under Torres, Aular, Guevara and Planas.

It is reported, according to the writer, at Porto Cabella and Caracas that Castro pursued the Government troops to Barquisimeto and captured that town.

GERMAN COURT SCANDAL.

NEW YORK, Sept. 15.—The Journal's Berlin cable says: One of the most scandalous affairs in German court life is reported from Karlsruhe. A duel with pistols was fought there today between Baron Schilling von Caustatt and a prominent young officer from Baden. The Baron shattered the right hand of his opponent, which caused him to drop his pistol, and this ended the duel. Baron von Caustatt, who is an old married man, is accused of having paid attentions to the 17-year-old sister of the young officer.
